Curtis String Quartet Plays SPRING CLASSES At Sunday Afternoon Musicale SCHEDULE SET

Group Performed At Silver Jubilee Of King George V

By Lois Ogden

The internationally known Curtis String Quartet will appear in eoncert at 4 p.m. Sunday in Memorial hall as the next in the series of regular Sunday afternoon musicales.

This string quartet, composed of two violins, a viola, and a 'eello, represented the United States at the Court of St. James during the Silver Jubilee of the late King George V. Following their appearance, they gave a series of concerts in England and made an extensive tour of the

Played From Originals

While in Vienna, they were paid the special tribute of being allowed to examine and play the original manuscripts of Haydn, Mozart Sehubert, and Brahms, Jascha Brodsky, first violinist in the quartet, has stated that many modern editions do not follow the originals and that by having played the aetual manuscripts, the Curtis Quar tet is able to present a much more authoritative interpretation than is usually heard in chamber music

In America, the Curtis group has frequently played and been entertained at the White House. The European concerts were sponsored by Lady Astor, the American embassy, the English Houses of Parliament and the League of Nations
